

A NOTE FROM THE DESIGNER: I am passionate about real estate - from buying and selling with clients to analyzing deals, rehabbing and helping people create a real estate portfolio. Thinking outside the box and getting a transaction to the closing table is my specialty. With over 25 years in the industry including mortgaged-backed securities trading, appraiser, realtor and investor both nationwide and internationally - I know how to navigate the sometimes complex and intricate waters of real estate.

1. Vinnova Double Vanity

A perfect complement to a contemporary space, the Vinnova Gela Vanity combines the clean, sharp lines of modern design with classic furniture styling. The Carrara White marble countertop provides a dramatic contrast with the dark Espresso cabinet.

7. Delta Shower Trim Kit

This 17 Series Dual Temperature and Pressure Shower only Faucet is a fully functioning unit which includes the Showerhead. It features a Large Handle to control the Shower (on/off) along with a smaller Handle used to set the temperature. You can set the temperature however you prefer and then just leave that smaller handle in place. Every time you take a shower you will simply turn it on with the large handle and the water come out exactly at your preferred level of warmth! Of course you can always adjust the temperature level any time as desired. This fixture also includes the required Rough-in Valve which installs in the wall.
